Read and Grow promotes the development of early literacy and language skills, working to give children a good start in life. Parents are encouraged to read aloud and share books with their babies beginning at birth. Our Read and Grow sessions are interactive and include an art/craft activity that is connected to the book being read.

This helps to keep children interested throughout story time.
Suitable for children 2-5 years.

Communities for Children is an initiative of the Australian Government Department of Families, Housing, Community Services and Indigenous Affairs
